A CONTEMPORARY MEXICAN KITCHEN

COCINA|214 was developed when 2 native Texans moved to Florida and missed the Tex-Mex/Mexican food they grew up eating. "Cocina" is the Spanish word for kitchen and "214" is the Dallas area code.

Since the restaurant's opening in 2011, it's been serving up authentic, fresh, high-quality food and drinks. Cocina 214 holds the title for best Tex-Mex/Mexican by Orlando Magazine and it's home to the hilariously-fun "Running of the Chihuahuas" on Cinco de Mayo. We hope you'll kick back with us, enjoy a margarita and indulge in some made-from-scratch cuisine!
